PROFILE

Recent computer science graduate with hands-on experience in coding and development and a passion for creating efficient and innovative solutions. I am a motivated individual with a strong work ethic and a desire to continuously learn and improve my skills. With my analytical mindset and attention to detail, I am able to quickly identify and solve problems, and I excel at working both independently and in a team environment. Additionally, I am adept at multi-tasking and managing competing priorities, which allows me to stay organized and meet project deadlines.

I recently completed a successful graduation in University of Calicut, where I gained experience in developing and deploying web applications using Python and Django. I am now seeking an entry-level position as a Python Django Developer at YOUGotaGift pvt ltd, where I can apply my skills and continue learning in a dynamic and fast-paced environment.

EDUCATION

IHRD College of Applied Science

17/08/2019 - 05/04/2022

Bsc. Computer Science University of Calicut 2019 - 2022 |
